

Higuerón
the beach club

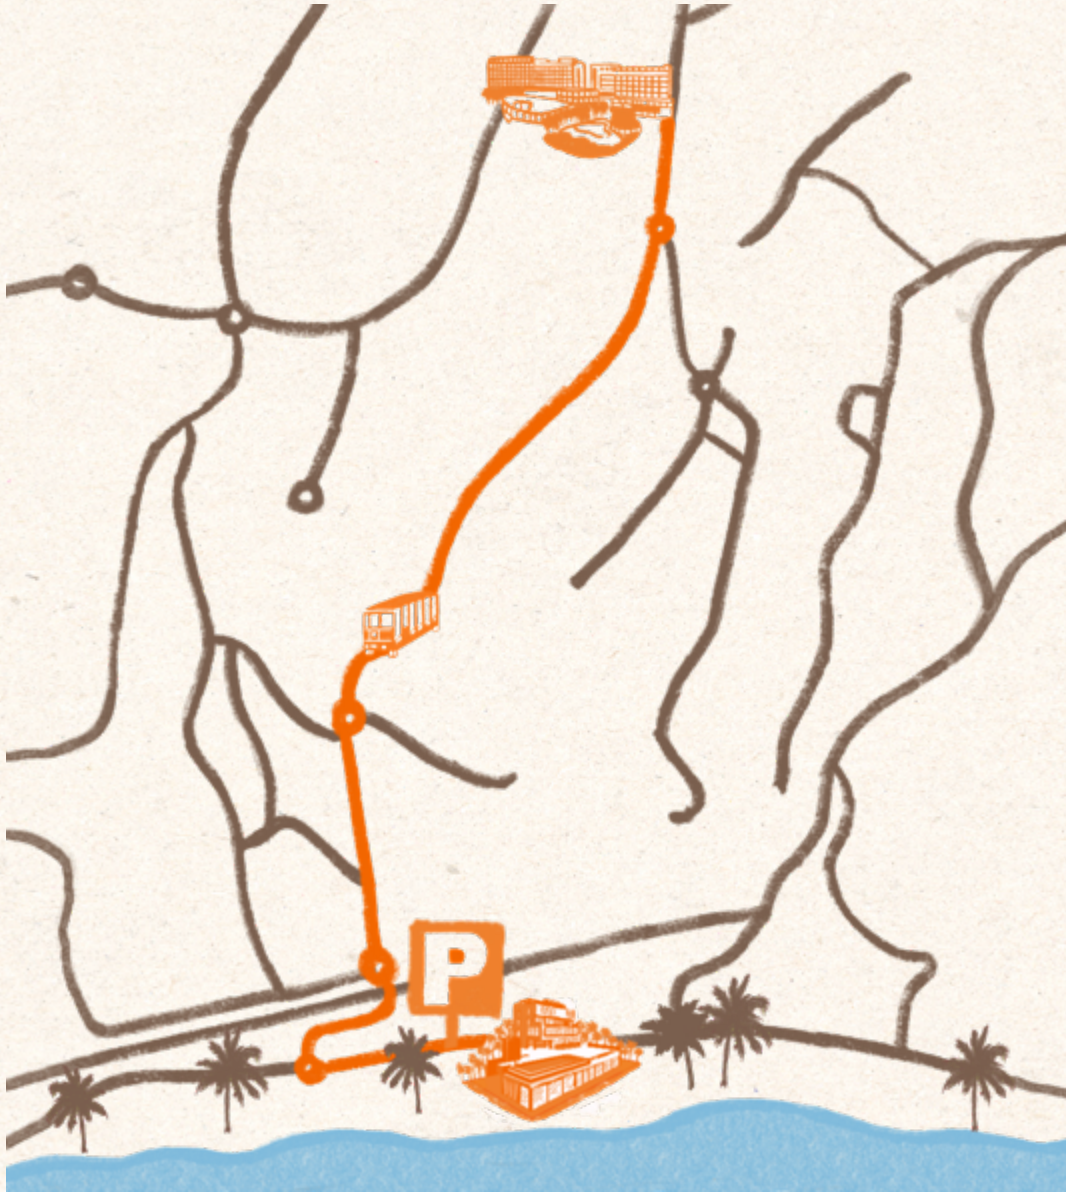

Where the *Mediterranean* becomes an *experience*.

A destination by the Mediterranean

An enclave created to enjoy the day by the sea, relax on a bali bed, savour a **gastronomic proposal with its own identity**, share a cocktail at sunset or celebrate special moments in a unique setting.

From an individual experience to a private event, every corner of Higuerón The Beach Club is designed to **experience the Mediterranean in a different way**.

By the beach, just moments from Higueraón Resort
